

Arts and Crafts Specialist

Building community and creating connections that last a lifetime is exactly what camp is all about!! This summer our goal is to help campers connect with others through working together, sharing and showing their personal strengths, building trust and encouraging campers to get involved which in turn will build lifelong friendships.

Applicants must be over 18 years old. Applicants must have strong organizational skills and flexibility to assist with or gather supplies for lead facilitator in arts and crafts program. This position is an 8am – 5pm position with the expectation that hour may vary to meet the needs of camp

Job Responsibilities include (but not limited to)

- Preparing the studio for following week art supplies needs and set up requirements.
- Responsible for up to 15 children per group during arts and crafts program. Use group management skills to engage all children in daily activities
- Maintain standards which promote the health and safety of all participants.
- Develop and facilitate a weekly art program as needed.
- Partner with Program Director on art project ideas for summer campers.
