

New Scholarship Guidelines for Summer 2024

Scholarship Applications will be collected January 10th – Feb 21st. Families will be notified by March 1st of any available scholarships for their camper.

Anyone applying after February 21st will be notified within 2 weeks of any scholarships available.

Applicants will need to pay at least the registration fee, \$125/week, during the registration process.

Applicants may select multiple weeks on their form, but each scholarship recipient, if selected, will only be given money toward one or two weeks of summer camp. We do this so we are able to offer multiple families and campers the option to attend camp.
